

Driving Directions:

Driving Instructions from Dubai International Airport to Sharjah Office

1. As you come out of the Dubai International Airport (coming down the bridge) enter into main road leading to Deira.
2. Pass the signal lights and keep driving on the extreme right side of the road and turn to right after about 1km at the road sign showing Sharjah.
3. After approximately 0.5 km merge into main road named 'Al Ittihad Road' leading to Sharjah
4. Keep driving for about 15 kms. Pass through two underpasses and after the second underpass drive for about 3 kms you will notice a bridge (Al Nahda Interchange).
5. Take the second interchange and come over the bridge and drive straight up to the traffic lights (approx. 0.5 Kms).
6. At the Traffic lights take the right turn and drive straight up to the end (approx 0.5 Kms.) which merges to the Buhairah Corniche Road. You can see Khor Khalid (the Lagoon) on to your left and a big park (Al Majaz Park) on your right side.
7. Keep driving for about 1.0 km [you need to pass two set of pedestrian crossing signal lights (hump type)]. At the end of the park the road slightly curves towards left and it's the first building on the right hand side tall white and blue building. National Bank of Abu Dhabi is on the ground floor (visible from a distance). The name of the building is 'Al Reema Plaza' and the office is on the 4th floor, Suite 402. Access is through the extreme right lifts (2 nos.) Note: Left lifts (4 nos.) are for the residential block.
