

# BREDERO SHAW

A SHAWCOR COMPANY

the  
**GLOBAL  
LEADER**  
in pipe coating solutions.

## Regina, Saskatchewan

PLANT CAPABILITIES SHEET

### FEATURES AND BENEFITS

Bredero Shaw's Regina, Saskatchewan facility is located next to IPSCO's pipe manufacturing mill which reduces logistical and management interface costs. With minimal pipe handling, damage to bare or coated pipe is reduced and repair costs are minimized.

This facility is capable of providing customers with a range of products that include High Performance Composite Coating (HPCC) which is an advanced composite system that represents the latest development in anti-corrosion systems. Also available from this facility are Fusion Bonded Epoxy and Dual Layer Fusion Bonded Epoxy.

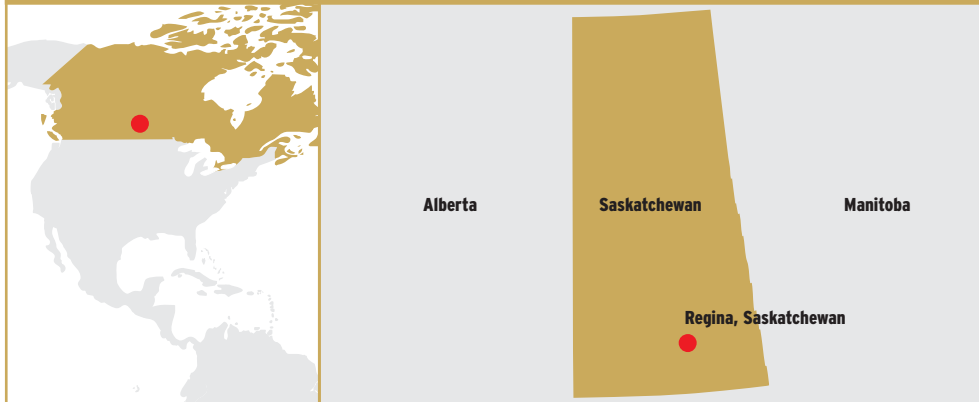

Anti-Corrosion Coatings

### MANUFACTURED PRODUCTS

COATING TYPE	DIAMETER mm (")		LENGTH m (')	
	MIN.	MAX.	MIN.	MAX.
<b>HPCC:</b> High Performance Composite Coating	406 (16)	1066 (42)	18.3 (60)	25 (82)

## HEALTH & SAFETY

Bredero Shaw is committed to providing a safe and healthy workplace and ensuring that our business activities are conducted in a manner that protects the environment. It is our objective to achieve an Incident and Injury Free workplace, where everyone recognizes that by risking incident or injury, they are putting in jeopardy what they value and those they care for.

## BREDERO SHAW: THE GLOBAL LEADER IN PIPE COATING SOLUTIONS

Bredero Shaw is the world leader in pipe coating solutions, with more than 75 years of experience, over 27 global pipe coating facilities and the largest team of technical and service specialists in the business. Bredero Shaw offers technologically advanced solutions for anti-corrosion coatings, protective and weight coatings, thermal flow assurance coatings, internal coatings, custom coatings and field joints for both onshore and offshore applications. This broad range of products and services provides Bredero Shaw with the unique capability to service the full spectrum of pipeline protection and flow assurance requirements. Consult your Bredero Shaw representative for your unique project requirements.

The information contained herein is indicative of the types of coatings provided by Bredero Shaw, and is not intended to be a guarantee that a particular coating will be suitable for a given application. Since many unique environmental, operating, and design conditions must be considered, the user shall determine the suitability of the coating for the intended use and assume all the risks and liabilities in connection therewith. Bredero Shaw's liability is stated in our standard conditions of sale.
